

PA106/G/28715/25 - JUSTICE CHIRCHIR KIPTOO

Final Exam Eligibility Checker (C Program)

```
#include <stdio.h>

int main() {
    float attendance, average;

    // Display title before input
    printf(" PA106/G/28715/25 - JUSTICE CHIRCHIR KIPTOO\n");
    printf("FINAL EXAM ELIGIBILITY CHECKER\n");
    printf(".....\n\n");

    // Prompt user for input
    printf("Enter attendance percentage: ");
    scanf("%f", &attendance);

    printf("Enter average marks: ");
    scanf("%f", &average);

    // Check eligibility
    if (attendance >= 75 && average >= 40) {
        printf("\nEligible for final exams.\n");
    } else {
        printf("\nNot eligible.\n");
    }

    return 0;
}
```
